

## **Abraxas Business Services Launches Enhanced Website**

ATLANTA, GEORGIA, USA – January 15, 2015 - Abraxas Business Services, specialists in business brokerage, mergers and acquisitions, and exit strategy and succession planning, is pleased to announce the launch of its revamped web site - [www.abraxas.biz](http://www.abraxas.biz).

Designed as an introduction to the complexities of selling or buying a business, the new site details the expertise and methodologies required to guide a transaction to the final, and most critical, step of any transaction – the Closing Table.

The website also focuses on Abraxas Exit Strategy Advisory Services. This exit strategy and succession planning discipline helps business owners achieve a successful exit through a well-planned, multi-phase process. Information about this services is included in the new site.

“For more than a decade, Abraxas has been helping business owners sell their businesses, assisting businesses expand through acquisition, and enabling entrepreneurs to fulfill their dreams of owning a business,” says C. David Chambless, President of Abraxas. “We are very excited to be launching a website where aspects of these transactions can be addressed. We look forward to continuing to provide up-to-date content and answers to important questions to help clients and prospects prepare for success.”
